

LÖGLEN Kft - Official announcement

The element set of LÖGLEN construction technology has received the official approvals required for its legitimate production and distribution.

The construction element set is manufactured by WYW Block Zrt., its NMÉ (National Technical Assessment) is numbered A-51/2014.

Certificates of Constancy of Performance:

20-CPR-55-(C-31/2014),

20-CPR-56-(C-31/2014)

The NMÉ and the certificates can be viewed at the www.emi.hu Web site.

It can be seen on the first page of the NMÉ numbered A-51/2014 that it replaces the ÉME numbered A-130/2010 which was earlier issued for LÖGLEN Kft.

LÖGLEN construction technology is protected by registered patent in the European Union, under the number EP 2189427.

The LÖGLEN brand name and logo are registered in Europe under the number EM 010825248, and trademarks are registered in Hungary under numbers HU M0900256 and HU M0900257.

In consideration of the above we will be compelled to act through legal means against anyone (private individual, company, association, etc.) who keeps on communicating (through Web sites, newspaper articles, or other media, personally, via e-mail, etc.) that the LÖGLEN construction technology has no approvals, or who uses our technology without proper authorization.
